# 40th Anniversary Update

---

## ENGLISH COUNTRY DANCE EDITION

by Lydia McAnerney

Since April 2023, the Tapestry Folkdance Center dance community has been celebrating it's 40th Anniversary at nearly all of the dance programs. Past celebrations have included **live music, food, cake, and lots of dancing.**

We have welcomed folks, who over the years, might not have danced in a while but wanted to come celebrate the success of Tapestry Folkdance Center. It's been an amazing amount of fun! And we've seen people come out of the woodwork to help share in this milestone year and to see friends.

I would like to invite you to celebrate 40 years of **English Country** dancing on . . .

**Sunday, September 24: 6:00 to 9:00 pm**

In true form, there will be lots of dancing and *live music* with **COLERAINE**. Join musicians: **Craig Daniels, Pat O'Loughlin, Patrice Pakiz, and Judy MacGibbon** and Callers: **Barbara Rice/Margaret Cummings.**

What a wonderful opportunity to see old friends, and enjoy delicious treats, including CAKE. For those of you new to English Country or looking for a refresher, all dances will be taught, so join us and *join the fun!*

Please feel free to send this English Country ‘celebration’ announcement on to others who you know were connected to the dance program in the past. I would really like to fill Tapestry Folkdance Center with all the people who over the years helped make English Country an enjoyable dance form. If you want to see that person you are thinking of at the celebration, *please invite them!* I hope to see you for the socializing and, of course, on the dance floor.

Best wishes,

Lydia McAnerney
