

February is Members Month

Thank you **Laura Schneck** for **28 years** of tending the rolls of Tapestry membership. Those of you who know Laura will not be surprised to know that she found the boxes for her index card membership records at a yard sale.

On December 2, 1983, fourteen members joined Tapestry and Laura Schneck was the first recorded member.

Between 1984 – 1990, Tapestry sponsored 20 free special member events, one of these was the first Tapestry BIRTHDAY PARTY!

Starting in 1988, the first member dance discount was \$.50 and increased to \$1.00 in 1991.

Super Finance Associate, **Heidi Van Schooten**, has computerized the new and renewal membership process. Thank you, Heidi!

Join us this month in celebrating the **40th Anniversary** and the 200 mighty members by **renewing** or **becoming** a [MEMBER](#). Your membership helps keep Tapestry Folkdance Center *strong now and into the future!*
